NOTES

The first 25 ranked athletes are awarded points on their total result as per the IWF Technical Competition Rules.

There is no official team competition at the Commonwealth Games and therefore no medals are awarded.

The first number in each cell represents the points that athletes from a CGA were awarded in a bodyweight category; the second number in the cell represents the number of athletes from a CGA in a bodyweight category. The total column shows the total number of points and athletes for that bodyweight category.
